

§ 1126.72

7 CFR Ch. X (1–1–98 Edition)

(1) Payments made by the handler pursuant to paragraph (a) of this section for such month;

(2) Payments, other than those specified in §1126.73(d), that were made by the handler on or before such date to producers for milk received during such month;

(3) Proper deductions for the month that were authorized in writing by producers from whom the handler received milk, except that the amount deducted for each producer shall not exceed the value of the milk received from the producer during the month; and

(4) The value at the weighted average price applicable at the location of the plant from which received of other source milk for which a value was computed pursuant to §1126.60(f).

(c) The following conditions shall apply with respect to the payments prescribed in paragraphs (a) and (b) of this section:

(1) Payments to the market administrator shall be deemed not to have been made until such payments have been received by the market administrator; and

(2) If the date by which payments must be received by the market administrator falls on a Saturday or Sunday or on any Monday that is a national holiday, payments shall not be due until the next day on which the market administrator's office is open for public business.

(d) Payments due the market administrator from a cooperative association handler may be offset by payments determined by the market administrator to be due the cooperative association pursuant to §1126.73(c).

(e) On or before the 25th day after the end of the month, each person who operated an other order plant that was regulated during such month under an order providing for individual-handler pooling shall pay to the market administrator an amount computed as follows:

(1) Determine the quantity of reconstituted skim milk in filled milk in route disposition from such plant in the marketing area which was allocated to Class I at such plant. If there is such route disposition from such plant in marketing areas regulated by two or more marketwide pool orders,

the reconstituted skim milk allocated to Class I shall be prorated to each order according to such route disposition in each marketing area; and

(2) Compute the value of the reconstituted skim milk assigned in paragraph (e)(1) of this section to route disposition in this marketing area by multiplying the quantity of such skim milk by the difference between the Class I price under this part that is applicable at the location of the other order plant (but not to be less than the Class III price) and the Class III price.

§ 1126.72 [Reserved]

§ 1126.73 Payments to producers and to cooperative associations.

(a) Subject to paragraphs (c) through (f) of this section, the market administrator shall pay each producer on or before the 28th day of each month for milk for which payment pursuant to §1126.71(a) has been received by the market administrator. Such payment shall be at a rate per hundredweight equal to the Class III price for the preceding month less the amounts specified in §1126.71(a)(1) and (2).

(b) Subject to paragraphs (c) through (f) of this section, the market administrator shall pay each producer on or before the 18th day after the end of each month for milk for which payment pursuant to §1126.71(b) has been received by the market administrator or offset pursuant to §1126.71(d). Such payment shall be at the uniform price computed pursuant to §1126.61 for the month, subject to the following adjustments:

(1) Any applicable adjustments pursuant to §§1126.74 and 1126.75;

(2) Less the payments described in §1126.71(b)(2) and paragraph (a) of this section;

(3) Less deductions for marketing services pursuant to §1126.86;

(4) Less the authorized deductions specified in §1126.71(b)(3); and

(5) Any adjustments for errors in calculating payments to an individual producer for past months.

(c) In making payments to producers pursuant to paragraphs (a) and (b) of this section, the market administrator,

on or before the day prior to the dates specified in such paragraphs, shall pay to each cooperative association that so requests with respect to those producers for whom it markets milk and who are certified to the market administrator by the cooperative association as having authorized the cooperative association to receive such payment an amount equal to the sum of the individual payments otherwise due such producers pursuant to paragraphs (a) and (b) of this section.

(d) In making payments to producers pursuant to paragraphs (a) and (b) of this section, the market administrator, on or before the day prior to the dates specified in such paragraphs, shall pay to each handler who so requests for milk received by the handler from producers for whom a cooperative association is not collecting payments pursuant to paragraph (c) of this section an amount equal to the sum of the individual payments otherwise due such producers pursuant to paragraphs (a) and (b) of this section. The handler then shall pay the individual producers the amounts due them by the respective dates specified in paragraphs (a) and (b) of this section. Any handler who the market administrator determines is or was delinquent with respect to any payment obligation under this order shall not be eligible to participate in this payment arrangement until the handler has met all prescribed payment obligations for three consecutive months. In making payments to producers pursuant to this paragraph, the handler shall furnish each producer the following information:

(1) The identity of the handler and the producer and the month to which the payment applies;

(2) The total pounds and, with respect to final payments, the average butterfat content of the milk for which payment is being made;

(3) The minimum rate of payment required by the order and the rate of payment used if such rate is other than the applicable minimum rate;

(4) The amount and nature of any deductions from the amount otherwise due the producer; and

(5) The net amount of payment to the producer.

(e) The following conditions shall apply with respect to the payments prescribed in paragraphs (a) through (d) of this section:

(1) If the date by which such payments are to be made falls on a Saturday or Sunday or on any Monday that is a national holiday, such payments need not be made until the next day on which the market administrator's office is open for public business; and

(2) If the application of § 1126.71(c)(2) or paragraph (e)(1) of this section results in a delay in the partial or final payments by handlers to the market administrator or by the market administrator to handlers, the corresponding partial or final payments prescribed in paragraphs (a) through (d) of this section may be delayed by the same number of days.

(f) If the market administrator does not receive the full payment required of a handler pursuant to § 1126.71, he shall reduce uniformly per hundred-weight the payments due producers for their milk received by such handler by a total amount not in excess of the amount due from such handler. The market administrator shall complete such payments on or before the next date for making payments pursuant to this section following the date on which the remaining payment is received from such handler.

(g) Subject to § 1126.71(c)(1) and (2), each handler who receives bulk fluid milk products from a pool plant operated by a cooperative association shall pay the following amounts for such milk to the market administrator, who in turn shall transmit such money to the cooperative association:

(1) On or before the 26th day of each month, an amount determined by multiplying such receipts during the first 18 days of the month by the Class III price for the preceding month. If the handler so elects, such price may be adjusted by the butterfat differential specified in § 1126.74 for the preceding month; and

(2) On or before the 16th day after the end of each month, an amount determined by multiplying the quantity of such receipts during the month that was classified in each class pursuant to § 1126.42(a) by the applicable class price,

as adjusted by the butterfat differential specified in § 1126.74, less any payment made by the handler pursuant to paragraph (g)(1) of this section for such month. For the purpose of such computation, the applicable Class I price shall be the higher of the Class I prices applicable at the transferee-plant and the transferor-plant.

§ 1126.74 Butterfat differential.

For milk containing more or less than 3.5 percent butterfat, the uniform price shall be increased or decreased, respectively, for each one-tenth percent butterfat variation from 3.5 percent by a butterfat differential, rounded to the nearest one-tenth cent, which shall be 0.138 times the current month's butter price less 0.0028 times the preceding month's average pay price per hundredweight, at test, for manufacturing grade milk in Minnesota and Wisconsin, using the "base month" series, adjusted pursuant to § 1126.51 (a) through (e), as reported by the Department. The butter price means the simple average for the month of the Chicago Mercantile Exchange, Grade A butter price as reported by the Department.

§ 1126.75 Plant location adjustments for producers and on nonpool milk.

(a) In making the payments required pursuant to § 1126.73, the uniform price computed pursuant to § 1126.61 for the month shall be adjusted by the amounts set forth in § 1126.52 according to the location of the plant where the milk being priced was received.

(b) For purposes of computing the value of other source milk pursuant to § 1126.71, the weighted average price shall be adjusted by the amount set forth in § 1126.52 that is applicable at the location of the nonpool plant from which the milk was received, except that the adjusted weighted average price shall not be less than the Class III price.

§ 1126.76 Payments by handler operating a partially regulated distributing plant.

Each handler who operates a partially regulated distributing plant shall pay on or before the 25th day after the end of the month to the market administrator for the producer-settlement fund the amount computed pursuant to paragraph (a) of this section. If the handler submits pursuant to §§ 1126.30(b) and 1126.31(b) the information necessary for making the computations, such handler may elect to pay in lieu of such payment the amount computed pursuant to paragraph (b) of this section:

(a) The payment under this paragraph shall be the amount resulting from the following computations:

(1) Determine the pounds of route disposition in the marketing area from the partially regulated distributing plant;

(2) Subtract the pounds of fluid milk products received at the partially regulated distributing plant:

(i) As Class I milk from pool plants and other order plants, except that subtracted under a similar provision of another Federal milk order; and

(ii) From another nonpool plant that is not an other order plant to the extent that an equivalent amount of fluid milk products disposed of to such nonpool plant by handlers fully regulated under any Federal milk order is classified and priced as Class I milk and is not used as an offset for any other payment obligation under any order;

(3) Subtract the pounds of reconstituted milk that are made from nonfluid milk products and which are then disposed of as route disposition in the marketing area from the partially regulated distributing plant;

(4) Multiply the remaining pounds by the difference between the Class I price and the weighted average price, both prices to be applicable at the location of the partially regulated distributing plant (except that the Class I price and the weighted average price shall not be less than the Class III price); and

(5) Add the amount obtained from multiplying the pounds of labeled reconstituted milk included in paragraph (a)(3) of this section by the difference
